

Hilf den Marienkäfern ihren Partner mit der gleichen Anzahl Punkte zu finden!
Schreibe die Zahl seiner Punkte in die Sprechblase.

The worksheet features 20 ladybugs scattered across the page. Each ladybug has a different number of black spots on its red elytra. The spots are arranged in various patterns: 1 spot, 2 spots, 3 spots, 4 spots, 5 spots, 6 spots, and 7 spots. Next to each ladybug is a light blue speech bubble with a white outline, intended for the student to write the number of spots on the corresponding partner ladybug. The first ladybug in the top left has a speech bubble containing the number '1'. The rest of the speech bubbles are empty.
